Discovery Kits Available Soon

The Rotary Club of Davis and the Sunrise Rotary Club of Davis recently made donations to fund the creation of Discovery Kits for adults. The kits will provide opportunities for individuals to try new activities without having to purchase tools or supplies.

Librarian **Joan Tuss**, who is spearheading this project, surveyed adults and used their recommendations to create the first set of kits. Initially, the Library will be offering Discovery Kits for hiking in Yolo County, baking, meditation and bird watching.

As part of its donation, the Rotary Clubs will also participate in a work day to assemble the kits.
