- 3 Click the **Search** button
- 4 **Read-Alikes** appear on the right side of the page

The screenshot shows the NoveList Plus search interface. At the top left is the NoveList Plus logo. A search bar contains the text "Butler, Octavia E." with a red circle '2' next to it. A dropdown menu is open below the search bar, with "Author" selected and highlighted, and a red circle '1' next to the dropdown arrow. To the right of the search bar is a "Search" button with a red circle '3' next to it. Below the search bar are links for "Advanced Search" and "Search History". On the left side, there is a "1 of 1" indicator and a "Refine" button. Below that, the author "Butler, Octavia E." is listed, along with "Adult" and "Fiction" tags. A description follows: "Octavia Butler rejected genre constraints, yet she merits recognition as the first African-American woman writer to achieve". On the right side, there is a "Read-alikes" section with a red circle '4' next to the heading. It includes links for "View All" and "Suggest Read-alike", and lists two read-alikes: "Orwell, George, 1903-1950" and "Jones, Gwyneth A.".
