**Human Resources Updates**

We are concluding the recruitment for a full-time Librarian at the Arthur F. Turner Community Library in West Sacramento and look forward to sharing news soon about this position.

We will be scheduling interviews for a part-time Library Assistant for the Archives and Records Center later this month.

**Library Virtual Programs**

Check out the July calendar for our virtual programs.
Summer Reading Program Continues Through August 14

Yolo County Library’s virtual Summer Reading Program (SRP), themed Reading Colors Your World ends August 14.

This year’s theme, Reading Colors Your World, focuses on color and the many ways that reading can expand our world through kindness, growth, and community. It encourages participants to get creative, try new things, explore art, and find beauty in diversity.

All participants who register for the SRP at: https://yolocountylibrary.org/summer/ will receive a free book and themed activity bag and everyone who completes their summer reading challenge by earning 1,000 points will receive a free book and prize, plus an entry into a final drawing for additional prizes. In addition, adults who complete the SRP challenge can choose to have up to $10.00 in late fees that accrued before April 1, 2021 removed from their account in place of their finisher prize.

The Summer Reading Program is free and sponsored by the Yolo County Library Foundation and our generous Friends of the Library groups.

For more information or to sign up, visit your local Yolo County Library branch or: https://yolocountylibrary.org/summer.

Board of Supervisors Approves Construction Contract for the new Yolo Branch Library

The County completed the rebid process for the new Yolo Branch Library construction contract and on July 27, 2021 the Board of Supervisors awarded the construction contract of $3,575,000 to Broward Builders.

Call for Public Art for the New Yolo Branch Library

The Call for Public Art Proposals ended in mid-July. YoloArts received 28 proposals that will be reviewed by the Yolo Branch Library Public Art Committee in September.
**Knowledge @ Noon: Murals in the Making, A Discussion with Jose Arenas**

Wednesday, August 11 at 12:00 p.m.

This is an online event brought to you by YoloArts and the Yolo County Historical Collection.

Jose Arenas will present a talk about the collaborative and empowering aspects of the mural-making process, and current Taller Arte del Nuevo Amanecer (TANA) community projects. Arenas will share recent creative collaborations by TANA staff and affiliated artists. He will discuss various collaborative strategies used in his Mexican & Chicanx Mural Workshop course at U.C. Davis, including recent and past community mural examples in the area. Also, he will share mural design transfer methods like the grid, projection, and other iterative techniques like tracing.

Also check out the YoloArts YouTube Channel which includes the Collections Revealed video series with Museum Curator, Iulia Bodeanu, highlighting items that are part of the Yolo County Historical Collection.
Yolo County Library Works with Community Partners to Launch a Three-Year Community Health Status Survey

The Yolo County Health and Human Services Agency, in partnership with Dignity Health, Sutter Health, CommuniCare Health Centers, and Winters Healthcare has launched a 3-year Community Health Status Survey.

Yolo County Library is helping with the effort by making print copies of the surveys available and serving as a drop off point for completed surveys at all branch locations.

Please help us spread the word to our residents and communities.

This survey is intended to capture residents’ input on the most important health issues and health barriers that face our community today. The results from this survey will help guide future work in ensuring that all residents have access to the basic resources needed to feel safe, healthy, and to thrive.

The survey is for anyone in Yolo County, and is anonymous. Residents can enter to win a $100 grocery gift card at the end of the survey, and winners will be announced in early September 2021. We will collect surveys at all of our branch libraries through August 25, 2021.

Here are the links to the online surveys:

• Created a Racial Equity Case Statement and committed to making racial equity a priority for the Yolo County Library.
• Drafted a comprehensive plan to assess the structural aspects of our organization through a racial equity lens.
• Supported staff pursuing associate’s, bachelor’s, and master’s degrees so they may become eligible for future promotional opportunities.
• Supported transfer and internal promotional opportunities that align staff strengths, interests and experience when there are hiring opportunities.
• Six employees enrolled in Touchpoints in Libraries, a seven-week course that includes 22 hours of online training followed by 6 one-hour reflective practice sessions.

Goal #3: Provide Early Childhood Education (Thriving Residents)

Strategies for FY 2020-21
• Map pathways highlighting Library resources and programs for children that enhance their ability to read at grade level by 3rd grade.
• Offer bilingual programs and resources for parents, caregivers and families to promote school readiness.
• Partner with local organizations to leverage services and resources to promote early literacy.

Accomplishments for FY 2020-21
• Purchased new digital content resources – Ready Rosie and TumbleBooks - to make early literacy resources more accessible to parents, caregivers and children.
• Subscribed to Ready Rosie tools to leverage video modeling, family workshops, professional development opportunities, and mobile technology to create more early literacy learning opportunities for young children.
• With support from the Yolo County Library Foundation and a Buck Education Grant from the Yolo Community Foundation, purchased subscription to TumbleBook Library, a database of 1,100 children’s eBooks for grades K-6, and includes animated, talking picture books, read-along chapter books, National Geographic videos, nonfiction books, playlists, as well as books in Spanish and French.
Received funding from California Library Literacy Services and the Yolo County Library Foundation to provide free books and early literacy training for parents and caregivers to model reading behaviors for children and to create literacy rich environments at home.

Received funding from the California State Library for a Bilingual Backpacks = Mochilas Bilingües project that created culturally-relevant themed storytime kits featuring materials in English and Spanish for use by caregivers, daycare providers, and families with young children.

Administered outcome surveys which showed that 100% of respondents reported that through Bilingual Backpacks = Mochilas Bilingües they became more aware of the bilingual/Spanish language resources and services provided by Yolo County Library.

Received grant funding to create Learning2GO STEM Kits to provide equitable access to hands-on STEM information and tools for low-income students and families. The Kits introduce young elementary school-aged children and their families, including the BIPOC populations traditionally underrepresented in the STEM workforce, to STEM subjects and possible career pathways.

Partnered with First 5 Yolo to offer workshops using the Every Child Ready to Read methodology for Friends, Family and Neighbor (FFN) caregivers.

Partnered with First 5 Yolo to develop a “Crafts-2-Go” project. Created take home craft activities for families to pick up during curbside service. Craft kits provided activities for parents and caregivers to help enhance early literacy activities with their children. 2,500 kits were distributed biweekly from February to May 2021.

Partnered with the Yolo County Office of Education to host three virtual meetings with educators in Yolo County school districts to identify early literacy collaboration and information sharing opportunities.

In collaboration with the Yolo County Office of Education and local school districts, the Library provided 100 families with WiFi hotspots to use for distance learning for the 2020-21 school year. This project was made possible with CARES Act funding from Yolo County.

Goal #4: Increase Access to Library Resources (Thriving Residents)

Strategies for FY 2020-21

• Evaluate results of the Student Success Initiative in the Esparto Unified School District and explore expansion to other school districts.

• Pursue a one gigabyte fiber broadband connection at the Clarksburg Branch Library.

Accomplishments for FY 2020-21

• Continued Student Success partnerships with the Esparto Unified School District and the Winters Joint Unified School District. Every student in both school districts can access library resources with their student identification number.

• Vendor working on the design plan to route a one gigabyte fiber connection to the Clarksburg Branch Library.
