

Yolo County Library
Access Services

Yolo County Library strives to make the Libraries' collection accessible to all members of the community. Library users with special requests needing materials retrieved from library shelves or assistance with photocopying can ask at the Service Desk of any Yolo County Library branch.

All Yolo County Library branches are wheelchair accessible and have wheelchair accessible bathrooms and parking for wheelchair accessible vans.

Service animals are welcome at all Yolo County Library branches.

The Library collection includes large print books and talking books on CD. Most movies have subtitles. Remote access to print and sound materials is available 24/7 through the library's OverDrive website.

Wheelchair accessible public computers are located at the Davis, Winters, West Sacramento, Esparto and Knights Landing branch libraries.

All branch libraries have one public computer with text-to-speech ability and magnification software called ZoomText Magnifier/Reader (by AI Squared). ZoomText Magnifier and Zoom Text ScreenReader is a magnification screen reading software.

The Davis and West Sacramento branch libraries offer a Closed Circuit Television (CCTV) device. The Topaz Desktop Video Magnifier offers a wide magnification range and is perfect for viewing newspaper print, photos and maps.

The Davis and West Sacramento Libraries have meeting rooms equipped with Assisted Listening Devices.

American Sign Language interpreters are available for Library programs. Please give at least one week advance notice prior to the program. Please contact 530-757-5593 x 4 or email davislibrary@yolocounty.org and include "ASL request" in the subject.

For help with any adaptive technology or additional library assistance please call 530-666-8084.
